

PREFACE

Proceedings Interbull Meeting, June 16-19, 2008, Niagara Falls, NY

The open session of this year's Interbull meeting was attended by 216 participants from 40 countries. At the session, 31 reports were presented.

For the first time this year ICAR and Interbull held a joint session on genomic selections. The session was chaired by the Interbull chairman Reinhard Reents, 8 reports were presented. Written articles from the joint session have been published in the ICAR proceedings

Written articles from the open session presentations are included in this Bulletin. Articles are individual, unedited, non-refereed contributions, and are included in the same order as in the programme of the Interbull meeting.

This publication is financed by Interbull member organisations. Their interest and co-operation are sincerely appreciated.

The contribution of Monica Jansson to the preparation of this Bulletin is gratefully acknowledged.
